☑ Garage Included

Stacked windows and a covered stoop are a few of this home's pleasing elements. With rows of windows bridged by a decorative plant shelf, the 2-story great room will lift spirits af ter a hard day' s work. In the kitchen, a large corner pantry makes it easier to stock up on sale items. On the second floor, a centrally located computer area is sure to be a popular spot for homework, games and bill paying.
