With its unmatched design features, the Centralia plan is sure to capture your imagination. Back-to-back fireplaces grace the sensational window-bedecked great room and charming keeping room, perfect for family gatherings because the kitchen is close by and provides a pleasing center island. A breakfast room and a regal formal dining room expand your mealtime and entertainment options. A sizable pantry, a voluminous laundry room and a cute powder room are all efficiently located. When it’s time for some pampering, escape to the sweeping master bedroom, complete with a walk-in closet and alluring master bath with a whirlpool or soaking tub, shower, dual sinks with extra counter space and a private toilet area. The Centralia also provides a rear two-car garage for maximum curb appeal, two additional bedrooms, one of which could be used as a study, and another full bath. There is an optional kitchen plan available.
