If you want something with a little more oomph, consider the Fenwick plan. One of its treats is a wondrous kitchen with center island countertop and cabinet space, additional counter space all around and a breakfast nook. Its walled-off design gives you the option of privacy when you're preparing culinary treats for guests. The supreme family room with a fireplace and spacious formal dining room are readily accessible. The winsome master bedroom opens to a fantastic master bath with a whirlpool tub, shower and other special features, as well as a walk-in closet. The two additional bedrooms are roomy and provide large closets. The Fenwick also gives you a two-car garage, another full bath, a laundry room and a useful closet near the front foyer.
