JAMISON . EGR-017

Traditional

SPECIFICATIONS

SQ. FT.	2396
BEDROOMS:	4.0
BATHROOMS:	2.0
LEVELS:	1.0

OPTIONAL FEATURES

☑ Green Certification ☑ Energy Star ☑ Garage Included

If you’re looking for a home that’s second to none, you’ll want to explore the Jamison plan. For starters, take a look at the amazing master bedroom, providing dual walk-in closets and a sensual master bath with a shower, whirlpool or soaking tub, separate sinks and a convenient linen closet. There are two additional sublime bedrooms on the other side of the house, with broad closets and another full bath and linen closet close at hand. In fact, you’d be hard-pressed to run out of closet space with the Jamison. There are two near the warm front foyer and another for the grand front study. For family fun or entertaining, the Jamison offers a great room that’s truly great, with a built-in fireplace, an inspiring formal dining room and a divine kitchen with an exceptional center island. The Jamison also offers a sweet breakfast room with lots of windows for added appeal, a full laundry, a sensible pantry and a two-car garage with curb appeal.
