Designed with today's casual family in mind, the Richards home plan offers architectural details that are reminiscent of the Craftsman style. With 2½ baths and 3 bedrooms – including a spacious master with a large walk-in closet – the Richards home plan features a two-car garage and a two-story family room with second floor windows and balcony. Enjoy meals informally in the professionally designed eat-in kitchen with a large pantry and oversized center island, or dine in style in the formal dining room.
