## OPTIONAL FEATURES

☑ Green Certification ☑ Energy Star

The Model XV home plan is a spacious and contemporary design perfect for todays families. With a total area of 2035 square feet, this single-story home features three bedrooms, and 2 bathrooms, and a large open concept living, dining, and kitchen area. The primary bedroom includes 2 walk-in closets and an ensuite bathroom with a dual sink vanity, soaking tub, and a separate shower. The 2 extra bedrooms are located on the opposite side of the home and share the second bathroom. The exterior of the home features a log design with large windows and a deck.
