Traditional

SPECIFICATIONS

SQ. FT.	2703
BEDROOMS:	5
BATHROOMS:	3.0
LEVELS:	1.5

OPTIONAL FEATURES

☑ Green Certification ☑ Energy Star

The Freedom MK-A is a spacious and well-designed house plan that offers a total living area of 2,703 square feet over two stories. This beautiful home features five bedrooms, three bathrooms, and an open living area that encompasses the kitchen, dining, and living room.

As you enter the home, you are greeted by a large and bright living room that flows seamlessly into the dining and kitchen areas. The kitchen is equipped with modern appliances, and ample counter space, making it perfect for cooking and entertaining. The dining area is conveniently located adjacent to the kitchen, providing a comfortable space to enjoy meals with family and friends.

The master bedroom is located on one side of the home and features a large walk-in closet and an ensuite bathroom with a sink, and a shower. The other three bedrooms are located on the opposite side of the home, offering privacy and comfort for the homeowners and their guests. The second bathroom is conveniently located between the bedrooms and features a bathtub and shower.

The Freedom MK-A also features a laundry room, providing a convenient space to take care of household chores. Additionally, there is a spacious covered porch that offers the perfect place to relax and enjoy the outdoors.

The second level is where you will find bedrooms 4 and 5, including a sitting area and the third bathroom.

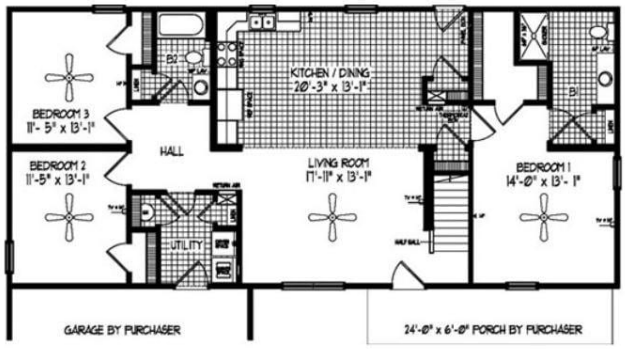

This house plan is designed to be energy-efficient, with features such as high-efficiency HVAC systems and Energy Star appliances. Overall, the Freedom MK-A is a beautiful and functional home that is perfect for families or individuals looking for a spacious and comfortable living space with all the amenities they need for comfortable living.

The Freedom MK-A also features a laundry room, providing a convenient space to take care of household chores. Additionally, there is a spacious covered porch that offers the perfect place to relax and enjoy the outdoors.

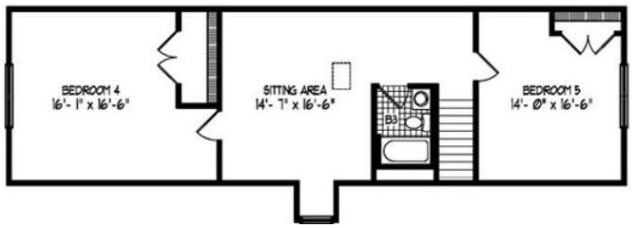

This modular house plan is designed to be energy-efficient, with features such as high-efficiency HVAC systems and Energy Star appliances. It is also customizable, allowing homeowners to make changes and additions to fit their unique needs and preferences. Overall, the Freedom MK-A is a beautiful and functional home that is perfect

for families or individuals looking for a spacious and comfortable living space with all the amenities they need for comfortable living.
