This is a small modular home cottage design by Allison Ramsey Architects. It is great as a vacation getaway or if you plan to downsize. The 2 bed, 2 bath configuration offers surprisingly good space. If you have a small piece of property that you always thought of building a vacation home, well this cabin design could allow you to make this idea come to true today.

Note: Cape Models come with an unfinished 2nd floor that can be completed on site. Listed square footage, bedrooms and baths include 2nd story living.
