| SQ. FT. | 735 |
| BEDROOMS: | 2 |
| BATHROOMS: | 2.0 |
| LEVELS: | 1.5 |

OPTIONAL FEATURES

- ☒ Green Certification
- ☒ Energy Star

This is a small cottage modular floor plan design by Allison Ramsey. A 2-bedroom, 2-bath cape cod design allows the model to be built on a small, narrow lot. This is great for infill projects that are becoming popular by replacing of old, non-energy efficient homes. This small cottage is also great as a vacation home.
