The Sun Fun IV home plan is a stunning two-story house that features a classic design with a touch of modern flair. The exterior of the home is highlighted by a charming deck, perfect for enjoying a morning cup of coffee or watching the sunset in the evening.

Upon entering the home, you'll find yourself in a spacious living room with a soaring ceiling, which makes the room feel even more open and airy. The living room includes large windows that let in plenty of natural light. Adjacent to the living room is the dining area, which is open to the kitchen, making it perfect for entertaining guests.

The Sun Fun IV plan includes four bedrooms, each with its own walk-in closet. There are 2 master suites and both are located on second level.

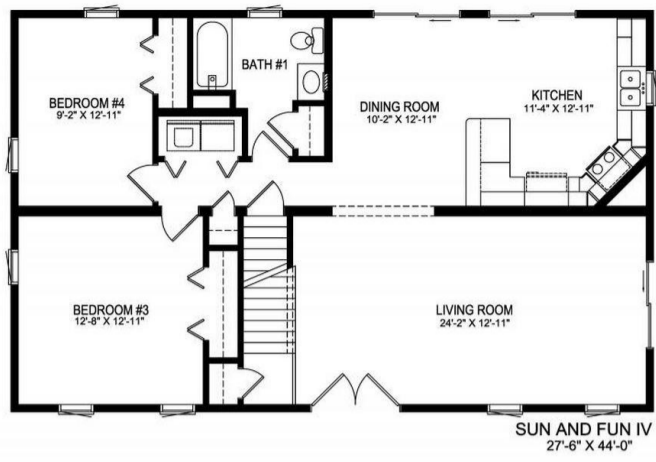

The other two bedrooms located on the main level share a bathroom that is conveniently located near the laundry room.

In addition to the stunning living room, dining area, and bedrooms, the Sun Fun IV plan includes a deck, which can be accessed from the living room. This provides an excellent outdoor living space that can be used for entertaining guests or just relaxing with family and friends.

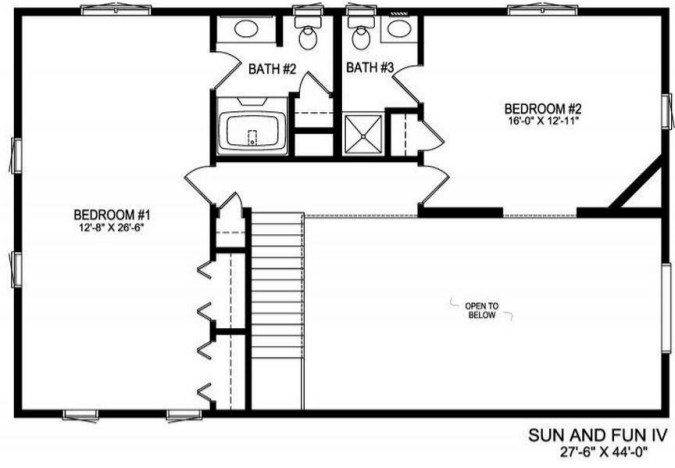

Overall, the Sun Fun IV home plan is an elegant and functional living space that offers all the modern amenities and features that you could want in a two-story home.
