Traditional

SPECIFICATIONS

SQ. FT.	1998
BEDROOMS:	3
BATHROOMS:	2.0
LEVELS:	1.0

OPTIONAL FEATURES

☑ Green Certification ☑ Energy Star

"Hands down, the Brockton has become one of our most popular designs to customize. From it's flowing layout which includes a sizable family room, dining room and living room, to the kitchen with extended bar area. The expansive master bedroom also features a walk-in closet, master bath with dual sink vanity and separate tub and shower arrangement. The possibilities are endless with the Brockton."
