OPTIONAL FEATURES

☑ Green Certification ☑ Energy Star

The Apalachee NAS is a beautiful and spacious modular house plan that offers a total living area of 1450 square feet. This stunning home features three bedrooms, two bathrooms, and an open living area that encompasses the kitchen, dining, and living room.

As you enter the home, you are greeted by a large and bright living room that flows seamlessly into the dining and kitchen areas. The kitchen is equipped with modern appliances, a large center island, and ample counter space, making it perfect for cooking and entertaining. The dining area is conveniently located adjacent to the kitchen, providing a comfortable space to enjoy meals with family and friends.

The master bedroom is located to the back of the home and features a large walk-in closet and an ensuite bathroom with dual sinks, a shower, and a bathtub. The two other bedrooms are located on the opposite side of the home, offering privacy and comfort for the homeowners and their guests.

The Apalachee NAS also features a laundry room, providing a convenient space to take care of household chores. Additionally, there is a spacious covered porch that offers the perfect place to relax and enjoy the outdoors. This home would look great sitting near any body of water.
