AURORA . NNC-048

Traditional

SPECIFICATIONS

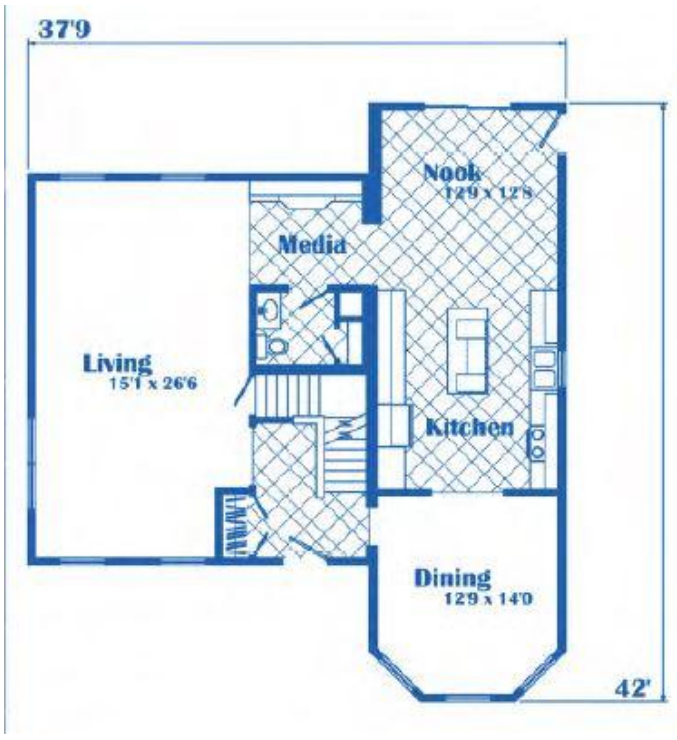

SQ. FT.	2450
BEDROOMS:	3
BATHROOMS:	2.5
LEVELS:	2.0

OPTIONAL FEATURES

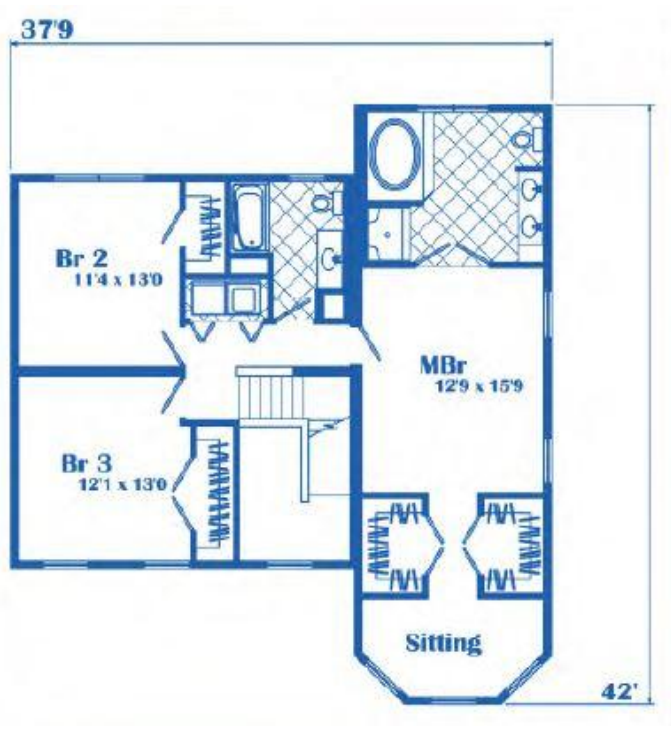

☑ Green Certification ☑ Energy Star

With its Octagonal bump out and a nice optional covered porch this house has a lot of curb appeal. On the first floor the bump out is a nice addition to the flow of kitchen and breakfast nook. On the second floor it is a nice addition to the master bedroom as it giving you a nice sunny sitting room. One of the great features of this house is the washer and dryer are located on the second floor.
