THE MAYFIELD . HCC-038

Traditional

SPECIFICATIONS

SQ. FT.	2357
BEDROOMS:	3
BATHROOMS:	3.5
LEVELS:	1.5

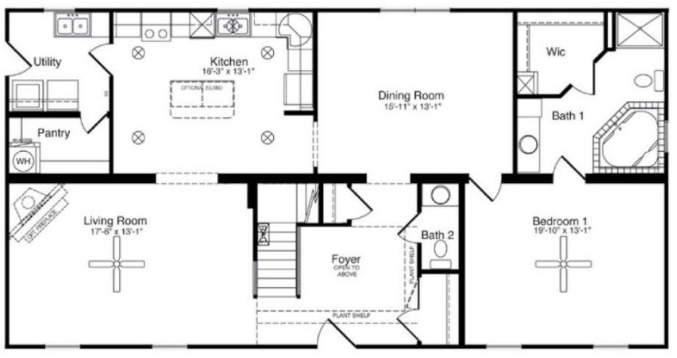

OPTIONAL FEATURES

☑ Green Certification ☑ Energy Star

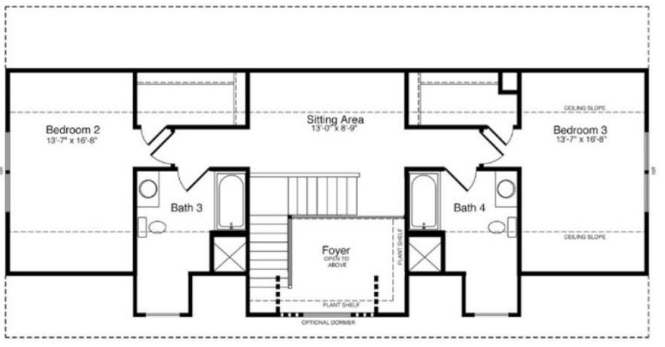

The Mayfield is a beautiful and spacious one and a half-story home plan. This home features 3 bedrooms, 3.5 bathrooms. The first floor of the Mayfield is designed with an open concept layout, which includes a living room, dining area, and kitchen with a large center island.

The living room has an optional cozy fireplace and there is a large laundry area, a walk in pantry and a half bath. The first floor has the master suite with its own ensuite bathroom complete with soaker tub and separate shower. Two additional bedrooms with full bathrooms and a sitting area are located on the second floor which could be used as a playroom or home office. The Mayfield is a stunning home plan that offers plenty of space for families to grow and entertain.
