

Ashley B. DCH-014

Traditional

SPECIFICATIONS

SQ. FT.	1691
BEDROOMS:	3
BATHROOMS:	2.0
LEVELS:	1.0

OPTIONAL FEATURES

- ☒ Green Certification
- ☒ Energy Star

The Ashley B is a charming home plan with a total living space of 1,691 square feet. This home features 3 bedrooms, 2 bathroom, and an open-concept living area that includes the kitchen, dining room, and living room. As you enter The Ashley B, you are greeted by a cozy living room that leads into the dining area and kitchen. The kitchen includes modern appliances, an optional large center island, and ample counter space, making it the perfect place for preparing and enjoying meals with family and friends.

The two spare bedrooms are located on the opposite sides of the home from the master offering privacy and comfort for family members or guests. The bathroom is conveniently located between the bedrooms and features a bathtub and shower.

The master comes with an ensuite that features dual vanities, and a separate shower.

The Ashley B also includes a laundry room, providing a convenient space to take care of household chores. This house plan is designed to be energy-efficient, with features such as high-efficiency HVAC systems and Energy Star appliances. It is also customizable, allowing homeowners to make changes and additions to fit their unique needs and preferences.

Overall, The Ashley B is a cozy and well-designed home plan that is perfect for small families or individuals looking for a comfortable living space with all the amenities they need for comfortable living.
