OPTIONAL FEATURES

☑ Green Certification ☑ Energy Star

The traditional cape will always be popular with its charming aesthetics and practical design. This home style allows the home owner the option of completing the top story for additional living space. Dressed with Optional dormers, this home is sure to be a crowd pleaser.

NOTE: Cape Cod Homes presented on this website may describe proposed second floors that are not included in the estimated base price. This is due to the fact that they are to be completed onsite by others. You must contact your Modular Home Consultant to determine if the proposed second floor displayed is included in the estimated base price or may be available at an additional charge. You should assume that the second floor is unfinished and not included in the base price unless it is specifically stated, or your Modular Home Consultant confirms that it is included.
