The Wilmington is a stylish and spacious home. This single-story home offers a total living area of 1682 square feet, with three bedrooms and two bathrooms.

The home features a welcoming foyer that leads to the large and open living room, dining room, and kitchen. There is an option for a family room with large windows that provide plenty of natural light. The dining room is perfect for family meals and gatherings, and the kitchen is a cook's dream, with ample counter space, a center island, and modern appliances.

The master suite is located on one end of the home for added privacy, and it includes a large walk-in closet and a luxurious master bathroom with a soaking tub, a separate shower, and double vanities. The two additional bedrooms are located on the other side of the home, and they share a full bathroom.

The Wilmington DCH also features a laundry room, a two-car garage, and a covered porch, perfect for outdoor entertaining. With its spacious living areas, modern amenities, and thoughtful design, the Wilmington DCH is the perfect home for families who love to entertain and enjoy comfortable living.
