The Altamont I is a spacious single-story home design that features three bedrooms and two bathrooms. The home has a charming covered porch leading to the foyer that opens into the spacious living room with high ceilings and large windows that let in plenty of natural light. The living room seamlessly transitions into the open-concept dining area and modern kitchen with a curved island, perfect for entertaining guests. The master bedroom suite features a walk-in closet and a luxurious master bathroom with a dual vanity, soaking tub, and shower. The other two bedrooms share a bathroom and are located on the opposite side of the home, providing privacy for the master suite. This home also features a convenient laundry room with ample storage space and a two-car garage that can be customized to fit your needs. With its efficient and well-designed floor plan, the Altamont I is perfect for families or anyone looking for a comfortable, stylish home.
