OPTIONAL FEATURES

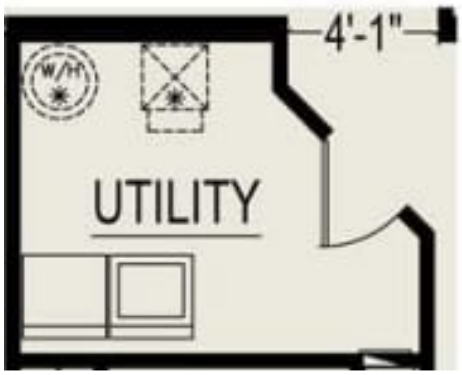

☑ Green Certification ☑ Energy Star

The Bridgeport provides three bedrooms and two bathrooms in a 1,680-square-foot single-story plan. A combined living and dining room stretches across the rear, connecting with the kitchen and foyer. The kitchen includes a peninsula with a raised counter and places the sink facing the gathering area. The primary bedroom has a walk-in closet and private bathroom. Two additional bedrooms occupy the projecting front sections, each with closet storage and access to a shared bathroom. A central utility room places laundry near the bedroom hall. The supplied crawlspace alternative changes the utility arrangement, while the main drawing includes stairs beside the foyer.
