The Rockford is a beautifully designed two-story home featuring three bedrooms, two full bathrooms, and a convenient main-floor powder room. A striking formal entry with two-story ceiling creates an impressive sense of space. The main floor living area includes an optional fireplace with built-in bookshelves, a private study, and a large kitchen with a walk-in pantry for added functionality. Upstairs, the primary suite offers a generous master bath and walk-in closet, while a cozy loft between the bedrooms provides a perfect spot for a quiet reading nook.
