OPTIONAL FEATURES

- ☒ Green Certification
- ☒ Energy Star

Classic farmhouse character and a broad wraparound porch give this two-story home a welcoming presence designed for both everyday living and entertaining. The main level offers several distinct gathering spaces, including a great room, living room, formal dining room, breakfast nook, and kitchen, while a nearby half bath and utility room add practical convenience. Upstairs, four bedrooms create generous private space, including a spacious primary suite with a walk-in closet and dedicated bath. Three additional bedrooms share a second full bath, with linen storage and multiple closets helping keep daily life organized. The combination of open gathering areas, defined rooms, and a substantial bedroom level gives the home flexibility for family life, guests, work, and relaxation.
