OPTIONAL FEATURES

☑ Green Certification ☑ Energy Star
☑ Garage Included

Crisp modern lines and layered roof forms give this single-story home a distinctive contemporary presence, while the covered entry and attached two-car garage add everyday practicality. Inside, the kitchen, dining area, and great room form a spacious open core designed for gathering and easy daily living. Three secondary bedrooms are grouped along one side of the home, while a separate guest room near the foyer offers added privacy with convenient access to a full bath. Multiple bathrooms help support a busy household, and the laundry room is positioned near the bedroom wing for practical function. A fireplace anchors the great room, creating a natural focal point for relaxing, entertaining, and spending time together.
