The Deerwood plan is without peer when you're looking for wide open spaces that invite you to explore your concepts for decor. The front foyer opens to a wonderful formal dining room, with a select kitchen just around the corner. It offers an expansive center kitchen island and appealing breakfast nook. All three bedrooms feature walk-in closets. The private master bath provides a winning combination of dual sinks with extra counter space, a whirlpool tub and a separate shower. The Deerwood also features a roomy office that could easily be converted into a fourth bedroom, since it has a considerable closet. The plan also offers a family room with a fireplace, a two-car garage, another full bath, a laundry and additional closets.
