## OPTIONAL FEATURES

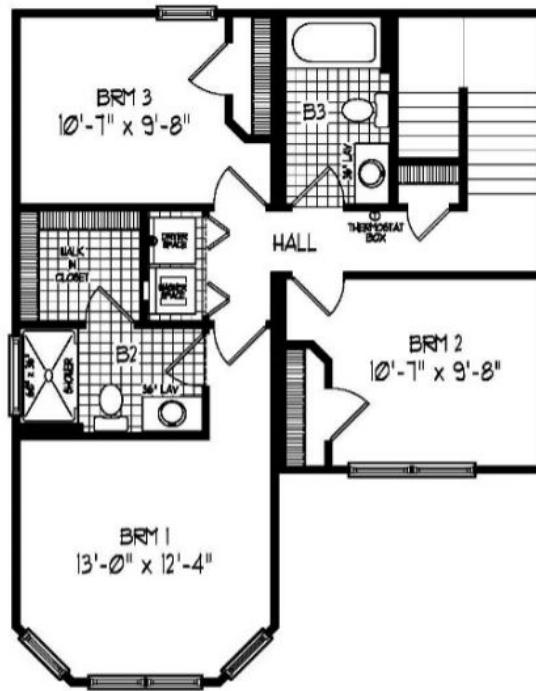

☒ Green Certification    ☒ Energy Star

The Anna is one of our favorites for many reasons. It has great curb appeal with its octagon bump out and covered porch (optional). This plan just flows from the dining room, kitchen and then living room. Has a roomy foyer as you come into the home. The master bedroom is bright, light and airy with all of the windows and has a lavish walk in closet. The laundry room is efficiently located on the second floor near the bedrooms.
