- ☒ Energy Star

The Phoenix is a stunning house plan. This two-story home features an open-concept living area, including a spacious living room, dining room, and kitchen with a large island. The primary suite is located on the main level, complete with a walk-in closet and ensuite bathroom. Upstairs, there are two additional bedrooms and a bathroom. The Phoenix also includes a laundry room, an optional covered porch, ideal for outdoor living. With its attractive exterior and practical layout, the Phoenix is a perfect home for families.
