The Andirondock places two bedrooms and two bathrooms around connected living, dining, and kitchen spaces on its illustrated main floor. The kitchen includes an island and a pantry, with the dining room extending across the rear of the home. The primary bedroom sits beside a bathroom and walk-in closet, while the second bedroom occupies the opposite side near the hall bathroom. A separate laundry room has an exterior entrance. The front entry opens beside the staircase and living room. Blue horizontal siding, white trim, a prominent front gable, and a smaller dormer distinguish the exterior. The supplied floor drawing shows the main level rather than an upper-floor layout.
