OPTIONAL FEATURES

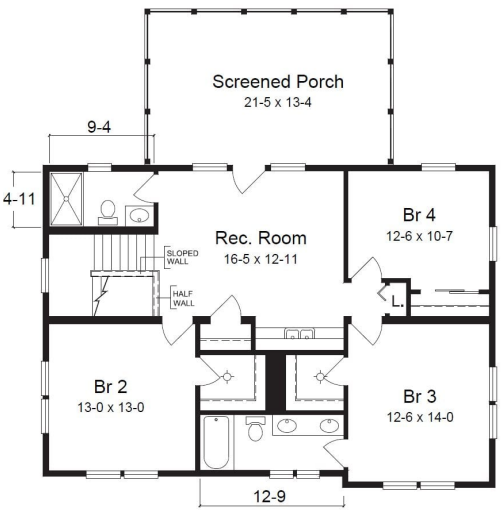

☑ Green Certification ☑ Energy Star

Belmar III offers five bedrooms and three-and-a-half bathrooms in a two-level arrangement. Two bedrooms occupy the main floor, including a primary suite with its own bathroom. The kitchen centers on an island with a sink and raised snack bar, connecting the dining room to the rear great room. A nearby powder room and hall laundry serve this level. Upstairs, three bedrooms accompany a recreation room with a wet bar and two full bathrooms. The upper plan also shows a rear screened porch. The exterior illustration presents a contemporary raised form with warm horizontal siding, contrasting panels, black railings, and a broad canopy above the front deck.
