OPTIONAL FEATURES

☑ Green Certification ☑ Energy Star

This quaint ranch floor plan allows for a well laid out and generous living area as you enter from the optional garage into a mud/utility room featuring a laundry center. The nicely appointed kitchen area with center island flows into a beautiful family room with generous window views and optional fireplace. Imagine the entertaining possibilities as you add a wet bar area and flanking entrance columns to a large dining room with the option of a tray ceiling. To the right of the foyer area lies the Master Bedroom Suite as well as two other nicely sized bedrooms and a full bath. You will enjoy exploring your decorating options as you make this delightful floor plan come to life!

Exterior porch and stone are optional on-site by others.
