OPTIONAL FEATURES

☑ Green Certification ☑ Energy Star

The Breckenridge organizes 2,481 square feet across two levels, with three bedrooms upstairs and generous gathering spaces below. A long living room connects to the breakfast nook and kitchen, while a separate dining room sits beside the front foyer. The kitchen includes a peninsula, and the adjacent mudroom provides pantry storage. A shower bathroom serves the main floor. Upstairs, a central loft separates the bedrooms, and the primary suite includes a walk-in closet, corner tub and separate shower. A second upstairs bathroom serves the remaining bedrooms. The illustrated attached garage, entry sidelights and designated bathroom windows are optional features rather than assumed standard inclusions.
