OPTIONAL FEATURES

☑ Green Certification ☑ Energy Star

The Boones Creek brings three bedrooms and two bathrooms into a 1,870-square-foot main-floor layout. A broad living room connects with the dining room, while the kitchen sits beside a separate laundry room and pantry. Bedroom one occupies the rear corner and includes a walk-in closet and a private bathroom with two sinks. The other two bedrooms sit toward the front, each with its own walk-in closet, and share access to the hall bathroom. The exterior combines a long porch roof with two front-facing gables, stone accents and grouped windows. The porch shown in the rendering is identified as optional on the floor plan.
