OPTIONAL FEATURES

- ☒ Energy Star

The Emery 2 is a stylish and spacious home plan. This plan features a traditional design with clean lines and plenty of natural light. With a total living area of 1,680 square feet, the Emery 2 offers plenty of room for families and entertaining. The Emery 2 includes a large living room with an open-concept design that flows seamlessly into the kitchen and dining area. The kitchen is equipped with modern appliances, ample storage space, and a large island for meal preparation and casual dining.

The Emery 2 also includes a private master suite with a large walk-in closet and a luxurious bathroom featuring a tub and shower combination.

The two additional bedrooms share a full bathroom. There is also a dedicated laundry room. With its contemporary design, spacious layout, and high-end finishes, the Emery 2 is an excellent option for families looking for a modern and comfortable home.
