The Adeline is a charming home design. It features a spacious and open floor plan that is perfect for families or individuals who love to entertain. The home's main living area is open and airy, with large windows that let in plenty of natural light. The kitchen is equipped with plenty of counter space and a center island.

The bedrooms are split, with the master being on one side of the house. The master comes with a large walk in closet, an ensuite that features a dressing area, dual vanities, and separate shower.

The spare bedrooms are located on the other side of the home and share a full bathroom. In addition, there is a laundry area with a door to the outside.

The exterior of the home has a covered porch for those lazy days.
