The Tegan is a beautiful and spacious home design. With three bedrooms and two and a half bathrooms, this home provides plenty of space for families or individuals who value privacy and comfort. The Tegan offers a welcoming entrance that leads into the open concept living, dining, and kitchen areas. The kitchen features a large island and ample counter space, making it perfect for entertaining or family meals. There is a half bath and laundry room completing the main level.

The master suite is located on the second level of the home. It features a large walk-in closet and ensuite bathroom with a separate shower, and double sinks. The other three bedrooms are located on the opposite side of the home along with the second bathroom, making them ideal for guests or family members. The Tegan also features a covered porch that provides additional outdoor living space.
