The Belle has the most unique curb appeal yet! With optional log siding and large windows it is the perfect cozy, yet spacious at-home getaway for any outdoorsy type. The 2 bedroom, 2 bathroom plan features a cozy fireplace in the large vaulted living room that opens to the kitchen/dining area. Large trap windows and the bright open floor plan provide ample natural light all the way through the home. The large master suite features a walk-in closet and ensuite bathroom with a dual sink vanity. The large utility room with a separate entrance provides the convenience of main floor laundry away from the hustle and bustle of the main living space.
