Upon entering the Goshen-2, you step into a foyer that leads directly into the open-concept living area. The living room serves as the central gathering space, offering plenty of room for furniture arrangement. Large windows flood the space with natural light, creating a bright and inviting atmosphere. The first floor includes a spacious guest suite with its own bathroom, making it ideal for visitors or multi-generational living. The second floor has two additional bedrooms, each with access to a shared bathroom. These rooms can serve as bedrooms for family members or be repurposed as home offices, guest rooms, or hobby rooms, depending on your needs.
