

ROCKIES. SII-002

Container

SPECIFICATIONS

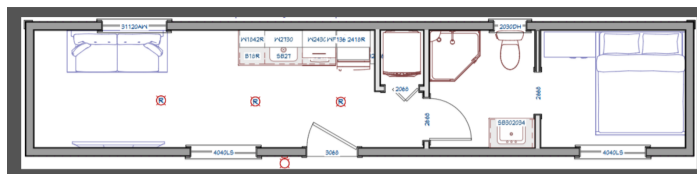

SQ. FT.	320
BEDROOMS:	1
BATHROOMS:	1
LEVELS:	1

OPTIONAL FEATURES

- Green Certification
- Energy Star

This Container home is designed to capture the essence of flexibility and efficiency of a prefabricated housing solution.

"Rockies-SII-002" features an innovative design that repurposes shipping containers into a modern, stylish, and functional home. The industrial aesthetics results in a one-of-a-kind residence. It's energy-efficient, utilizing passive solar design, insulation, and other eco-friendly features to minimize its environmental impact. The compact design of this container home encourages minimalism and efficient use of space. It's ideal for those who value a simpler and clutter-free lifestyle. While compact, "Rockies - SII-002" allows for personalization and customization to suit your needs and preferences. The container structure offers a flexible canvas for interior design and layout.
